

## Australian Toy Association

### 25 Year Club

On the second day of the 2019 Toy Hobby and Licensing Fair, the ATA held our annual 25 Year Club Function.

The celebratory event is held alongside the Toy Hobby and Licensing Fair, when our industry comes together as one for the four days. All industry members who have been a part of this great trade for over 25 years are welcome to join and this year's event saw over 100 affiliates attend.

All members, both old and new, were honoured at the event and in 2019 the ATA was pleased to welcome 13 new members including Karl Rushton, Monika Marler, Rami Holsman, John Howard, Deborah Godwin, Howard Sher, Pam Sher, Andrew Casper, Glenn Doyle, Lincon Boyd, Michael Lawson, Robert Davies and Vic Roach.

**Here's** a reminder of who attended our exclusive Cocktail party.

The ATA 25 Year Club is an initiative of the Association to honour those people who have been involved in the industry for 25 years or more. Anyone who fits this mould and is not a part of the club yet is invited to apply for membership — and you don't necessarily have to be an ATA member!

For further details including an application form please refer to our website <http://austoy.com.au/membership/25-year-club>.

The ATA looks forward to welcoming new members in 2020.
