Christmas spirit shines in Penrith

From the moment you step into the draped entry way at Christmas Warehouse Penrith, you will feel the Christmas spirit in you come alive! The warm fairy lights, dazzling Christmas inflatables and stunning Christmas tree displays will have the inspiration flowing and you will have no choice but to give in to the magic.

The experience is the first thing that customers speak of when asked, all noting that the store is a delightful mix of traditional decorating, new and exciting themes and excellent, knowledgeable customer service. All of which combine to create an all-round positive experience that will have you wanting to come back from the moment you leave.

Customer service is the priority at Christmas Warehouse. The staff are all expertly trained in their products and know how to get the best use from your purchases. Staff can help you pick a new theme for your Christmas tree this year or help you choose a few items to reinvigorate your existing set up.

If you are looking to create an eye-catching outdoor light display, the staff will ask all the right questions so you have the best looking house on the street (cue jealous neighbours!). Don't forget to ask the staff about the generous VIP Club program, where you can earn 10 per cent off all purchases once you reach 'Master Elf' level!

2022 has seen new themes join the Christmas Warehouse range. The 'Candy and Elves' theme is a delightful new addition which will

add a bright and fun "POP" to your Christmas tree. With red, white and green highlights - this theme focuses on candy stripes, elf legs buried in the tree and swirls and twirls that the kids and grandkids will love.

If a colour change is what you're after, the 'Royal Ruby' might just hit the spot. Combining the deep, luxurious colour and texture of burgandy, blush pinks and golds - 'Royal

Ruby' will bring the warmth and elegance into your home.

Now we all know that while the small touches are lovely - bigger is better when it comes to outdoor decorating! For this, the team at Christmas Warehouse Penrith recommend the 3m or 4m Inflatable Santa! All inflatables come with a blower and anchors so you can set them in your yard for ultimate exposure

and watch the kids' faces light up when they pass by!

So swing by Christmas Warehouse Penrith (Henry Street, next to Jaycar) for all your Christmas trees, lights, inflatables, decorations, villages and more!
